PLANS Evaluation Summary March 10 & 11, 2005

1. What were the strengths of the meeting?
 - Good organization! Good information was presented through the phone conference, especially on the 05 Disability Summit.
 - Everyone is getting an opportunity to bring stuff to the table. Time was great, even though some things didn't take up all the schedule time, better to be early than to be rushed.
 - Discussions - Small Group
 - All good information
 - Information from MN was very informative. Quality Assurance Information.
2. Was the material presented in a helpful way?
 - Yes; like the agenda format. Nice to have notebooks.
 - Yes (3)
 - Yes, although more discussion on the MN call would've been helpful.
3. Are there certain learning styles that you prefer?
 - The 'visual' agenda is good.
 - No (2)
 - Visual Aides
4. What were the weaknesses of the meeting?
 - Be nice to have coffee, tea and fruit available at all times. Nice to have drinks served with meals which was not always the case at the Radisson.

- Meeting location, very cramped
5. To improve future meetings I would...
 - You're doing great!
 - Allow for more small group discussion
 6. After attending the meeting, is there specific information that you feel would benefit the group for this project?
 - NA
 7. Other:
 - It's nice that the first meeting starts later in the day, even mid-morning would be great. Thank you for keeping close to the agenda and ending on time! Great meeting place at the Radisson.
